# Employment Overview

## About Us

LifeStream, Inc. was founded in 1976 by a group of concerned parents seeking better care for their adult children with developmental disabilities.

LifeStream has grown to become one of the premier non-profit human service organizations in southeastern Massachusetts, and one of the area's largest employers.

### *Our core services include:*

- Community residences for those needing 24-hour supervision and a greater degree of support
- Services for those living on their own but requiring individualized support to maintain their independence
- Residential options for individuals who cannot safely live alone and want the comfort of a home environment
- Supported Employment/Community-Based Day Support services providing therapeutic, educational and employment supports for adults with disabilities
- Employment & Training programs to assist economically disadvantaged people find and maintain career employment
- Autism Services for children between 3 and 22 years of age
- Services for those with Acquired Brain Injury and Traumatic Brain Injury
- Clinical Services to optimize the health and well-being of the individuals we serve, including medical, psychological, physical, occupational and speech therapy

## Benefits

We continually strive to make LifeStream a wonderful place to work. For many of our employees, LifeStream is more than a job. It's the beginning of a long and successful career.
