

BEACON ST. DAY PROGRAM NEWSLETTER

AUGUST 2023

Mission

*LifeStream Inc. provides
community-based services
throughout Southeastern
Massachusetts that promote
personal dignity, independence
and the removal of barriers*

Values – The Three C's

Community – we value the people we serve and the communities they are a part of. We strive to ensure every person lives a full life in engaging and supportive communities.

Commitment – we are committed to being a cohesive, diverse team. We provide high-quality resources and support to maximize independence for those we work with, ensuring they can thrive in their everyday lives.

Continuous Learning – we give our full effort in all aspects of our work and throughout our organization, investing in our growth and development every step of the way.

WHAT'S HAPPENING

This summer, we have been able to enjoy outdoor and indoor summer activities like cornhole, bocci ball, chalk art, a summer cook out, and a visit from the ice cream truck, plus so much more. As summer is slowly winding down and the weather starts to cool down, we can look forward to fun fall activities. Apple & Pumpkin picking, visits to the local farm, and pumpkin carving are some fun activities we will be looking forward to.

October is Disability Awareness Month and in celebration please join us on Thursday, October 12, 2023, at the New Bedford Art Museum. While wandering the halls and viewing beautiful artwork, you will also be able to view amazing pieces the individuals of the Day programs have been creating.

Did you know?

Did you know that on LifeStream's website you can view some interesting articles/topics surrounding Autism.

Did you know that there are several resources that can be helpful for families and individuals with need in Assistive Technology. Please check out LifeStream's site for helpful information & tools.

Don't forget to take a look at the two links below for some community events both in person and virtual.

Autism Speaks: <https://www.autismspeaks.org/>
